

What to do when a load is covered

If a Carrier calls and is asking for information on a load that is already covered, you can offer the carrier something else

EDIT

Notes

+ ADD NOTE

→ go to the left side of the screen → Lanes & trucks click on → the blue ADD button.

Add Trucks & Lanes

Add Lane Preference

+ ADD LANE PREFERENCE

Add Trucks

+ ADD TRUCK

DONE

→ add lane preference → entered the truck's pick-up location → desired destination → equipment → done.
This will pull up matches for the carrier.

Add Trucks & Lanes

Add Lane Preference

Preference	Minimum Rate	Pick up Location	Desired Destination	Equipment	Matches	Instant Send
✓	Not specified	Not specified	Not specified	Select equipment*	☐	

+ ADD LANE PREFERENCE

Add Trucks

+ ADD TRUCK

DONE

You can also post the truck for your Carrier → Add trucks box → click → add trucks → enter the dates → location → equipment type → click done. This adds the available truck to Parade.

Add Trucks & Lanes

Add Lane Preference
