

Pre-Paid Loads

- If a customer wants/needs to pre-pay for a load they can either pay by ACH, or by Credit Card
- If a customer pays by ACH they must provide remittance or proof of payment before dispatching a truck for that load
- If a customer chooses to by credit card there is a 4% processing fee
- Send the order number and amount of the load to billing@beemac.com and one of our collections will call to take payment over the phone
- Payment must be received and verified before dispatching a truck to pick up the load. Failure to follow protocol may cause the broker to be liable for financial damages, and subject to corrective action
